

Dear Dr. Schwadron,

Thank you very much for agreeing to discuss the outstanding issues in the pending US Patent Application No. 10/553,938. As you are aware, this case presently stands on Final Rejection.

I have also in this fax a copy of documents I filed electronically today in response to the Final Office Action. The response was filed today in order to meet our deadline for provoking an Advisory Opinion.

Tomorrow I would like to discuss in some detail the rejections you made in the Final Office Action, answer any initial questions you might have about our response, and hear your thoughts on the 1.132 Declaration I submitted to overcome the 102(a) rejection under the Business Wire reference.

I will be initiating the Interview tomorrow by calling you at 571 272-0851 at 9 am EDT. I will be away from my office tomorrow and therefore calling you on my cell phone ((317) 987-2620). Please feel free to call me at that number prior to the call if you wish to delay the phone interview for any reason.

Otherwise, I look forward to speaking with you tomorrow.

Best regards,

Robert L. Sharp
